1. VALIDITY OF APPLICATION

The following conditions are valid for any commercial contract of products commercialized by Metalogenia North America Corporation (MTG).

2. PRICES, DISCOUNTS, AND FREIGHT

The suggested list prices for products commercialized by MTG are those found in the Price List and serve as the base price from which the dealer net price is calculated after applying the dealer discount. Please note that there are three discount codes: "C" for MTG Systems Construction products; "M" for MTG Systems Heavy-Construction/Mining products; "P" for MTG Plus and Remop products.

Dealer Classification	Product Lines

There are special freight allowance programs based on the size of the order and location of delivery. Orders of less than \$1,000.00 will be assessed a fee of \$15 to cover the cost of handling and packaging. MTG offers additional discounts for direct orders shipped directly from our factory to our customers. Please contact our Customer Service Department for additional information.

Items classified as "non-stock" are items that will not be stocked in MTG's Houston warehouse. However, these items are available for purchase, but these items will have a longer lead time for delivery.

MTG will provide the packaging for transportation and it is the responsibility of the customer to dispose of or recycle it. Any damage occurring to the items while in transport is not the responsibility of MTG.

5. RETURN OF PRODUCTS

A "Product Return Application Form" needs to be filled out for the return of any product. This form has to be faxed or emailed to MTG's Customer Service department for return authorization. MTG will study product returns if requested within 15 days of the invoice date of the products to be returned. MTG reserves the right to deny any devolution. Any product accepted for return will be charged a 20% restocking fee and this cost will be subtracted from the credit note. All transportation costs for any return will be paid by the customer. All returns must be handled in the following manner:

- All returns must be shipped prepaid to MTG (Houston, TX). Any material shipped collect will be refused.
- All returns must have an Authorized Product Return application form provided by MTG.
- To accelerate the return process, please include the Product Return application form on your returned package.

5.1 Annual Dealer Return Policy / Purification Stock

Any dealer may return 3% of the current year net purchases in an annual stock purification return if a new order is placed for the same amount returned (in USD). MTG must be contacted to request an Authorized Product Return application form before November 30th. Customer may only return items once per year. Returns of products bought during previous years will not be accepted. Credits issued are material (products) credits and will be balanced with a new purchase order submitted by the customer at the same time of the product return request – no checks will be issued on credit balances. Prices of the returned products are based on the price paid by customer and are subject to a 20% handling charge. All items must be shipped prepaid to MTG's warehouse in Houston, TX and have a return authorization number.

Returns will not be accepted on material that: a) has been welded or altered in any manner; b) has been subjected to misuse, misapplication, or used on excessively worn adapters or lips; c) has not been invoiced to the company making the return; d) has been factory modified or specialized.

5.2 Return of items ordered in error or refused by customer

The return authorization of these items must be requested within 15 days of the date of invoicing. Products must be shipped prepaid to MTG and have an authorized Product Return Authorization form. Products returned are subject to a 20% handling charge. MTG must be supplied with original invoice numbers and dates.

5.3 Unauthorized Returns

Unauthorized returns will be treated as an annual dealer return; items are subject to the same restrictions outlined in section 5.1, but are subject to an 80% restocking charge.

6. WARRANTIES

All MTG products have been subjected to very strict quality control measures during the manufacturing process in order to offer the highest quality product. Nevertheless, if any manufacturing defect is detected, please fill out the "Product Warranty Application Form" (located in the back of the price list) including a photograph of the part. The complete form can be sent to MTG by fax or mail. E-mails with complete information (including pictures) are encouraged. Customer should keep all warranty-replaced parts until the Regional Manager in charge has inspected them.

- The warranty is null and void in cases of misuse, negligence, accident, overload, welding and incorrect installation.
- The warranty refers only and exclusively to the replacement of a product in case of manufacturing defects.
- The warranty is valid for six months after the receipt of the goods.
- All warranty-replaced parts will stay property of MTG and in every case MTG will be able to ask for the return of any broken part. If an analysis should be necessary, MTG will pay for the transportation costs.

7. CREDIT LINE

Customers are required to fill out the "Credit Application Form" located at the end of this price list to apply for a credit line. Additional financial information might be needed to set up or to increase a credit line.
