

COBRANDING: HORIZONTAL

In order to customize a corporate material with a dealer's logo, the correct cobranding solution is using the dealer's brand + MTG OFFICIAL DEALER logo.

Do not use MTG OFFICIAL DEALER logo in the first place.

Always respect the **minimum distance** indicated on this page, taking the "M" of the "MTG OFFICIAL DEALER" logotype as a reference. Logos can never be more closed to each other.
